Profile

A creative, down to earth, Graphic Designer with user experience in Adobe Illustrator, Indesign, Photoshop and Premiere. Eager to collaborate, easy to work with and knows how to lead a team. Looking to extend my design knowledge and enter the designing field.

Prior Employment

D'Imperio Bros. Landscaping: Learned time management skills, having to landscape over 10-15 houses 5 days a week, use of cooperation to ensure the job got done without over extending manpower.

Johnson's Locust Hall Farm: Use of leadership, communication, and cooperative skills to delegate the team and ensuring the venue is set up for clients. Labour intensive as the venue is part wedding location and part farm.

Awards

National Art Honor Society Award
Greyhound Student Choice Award: Awarded for my strong work ethic and maturity at a young age.

Deans List Recipient: second semester sophomore year, first semester junior year.
